THE GOOD MOVE

Widest range of electric vehicles in Europe

With the start of production of the Renault Trucks E-Tech T (for regional distribution) and C (for urban construction). Renault Trucks is now the only European manufacturer with a range of electric vehicles spanning 650 kg up to 44 tonnes!

What is a good move?

A Good Move is something that helps – or inspires us – at Renault Trucks to reach our ambitious goals of reducing CO₂ emissions.

THE GOOD MOVE

Why is this a good move?

From electric cargo bikes and up, we enable all types of business to get the job done, without emissions.
